

Study Start 2019

Service, Hospitality and Tourism Management

Welcome

On February 1st you will start as a student at UCL University College. We are looking forward to give you and your fellow students a warm welcome and we will make sure that you have a great time at our school. Here is some practical information and your overall welcome program, to help you get started.

Practical information

The address you will have to show up at is: Seebladsgade 1, 5000 Odense C.

Please use the main entrance upon arrival. Here, your tutors will be ready to welcome you. You will spend the whole day with your new classmates and your tutors.

If you arrive by bicycle, you can park by the outdoor bicycle racks or in the basement for bicycles. Please do notice that the basement automatically locks at 16.30 every day.

Should you arrive by car, you can park in the campus parking area. Parking will be free from the February 1st until February 8th, that means you do not need to register your license plate in that period. You must park at a legally marked stall to avoid a charge. Note that the amount of parking spaces are limited.

In our app, you can download your student card, retrieve a permanent parking permit, view news from your campus and more. You can find it by searching for "EAL Selvbetjening" in App Store or Google Play.

For lunch, you can use the canteen, but you also have the option of using refrigerators and microwaves around campus for free. They will be available in several places around campus.

On February 1st you will not have to bring your computer.

Facebook

- The main Facebook page: www.facebook.com/ealdk
- Facebook group for all students at Seebladsgade 1: www.bit.ly/StuderendeSeebladsgade
- Facebook page especially for international students: www.facebook.com/ealint

Upcoming Events
